TO MEMORY

THE SCROLL

Memory is when you look back and the answers float in to who? what? when? where?

The members who were there then are repeated on a screen, are recalled on a scroll, are moved in a miniature drama, are collected and re-collected for actions, speeches, silences, set forth by images of the mind and made in a mingling mist to do over precisely what they did do once--this is memory.

Carl Sandburg

Memory, that subtle function of the mind which recalls the happenings of the past, inspired Carl Sandburg to write "The Scroll". It is to this function--to memory--that we dedicate this, the 1963 ROCKET.

DEDICATION

This year the Rocket Staff has chosen to dedicate the 1963 annual to a person who has helped most of the members of this school get their start in school life. It is often said that the first years in school are the foundation for adulthood. We feel that this lady has been instrumental in our education and so it is with great pride and gratitude that we dedicate this book to her--Miss Anna Proudfit.

TERRY NAMED QUEEN

Following a vigorous campaign of selling annuals, four young ladies anxiously awaited the announcement of the 1963 Rocket Queen. On April 6, at the annual dance, "Rainbow's End", only one could reign supreme. The 1963 Rocket Queen--Miss Terry Husing.

FACULTY

AND

CURRICULUM

The lives of our faculty members are crowded with memorable moments. Who could forget those coffee breaks with Mr. Whitford's coffee? What is more important, each teacher can look back at any of his pupils and know that he or she has played an important part in forming the life of each student.

PAYDAY

RICHARD HINDERLITER SUPERINTENDENT

Mr. Hinderliter has been in the Rock Port School system for the past twenty-six years. "Coach", as he has been known in the past, has turned out many fine football teams, and many fine sportsmen as well. He has been superintendent for the past nine years.

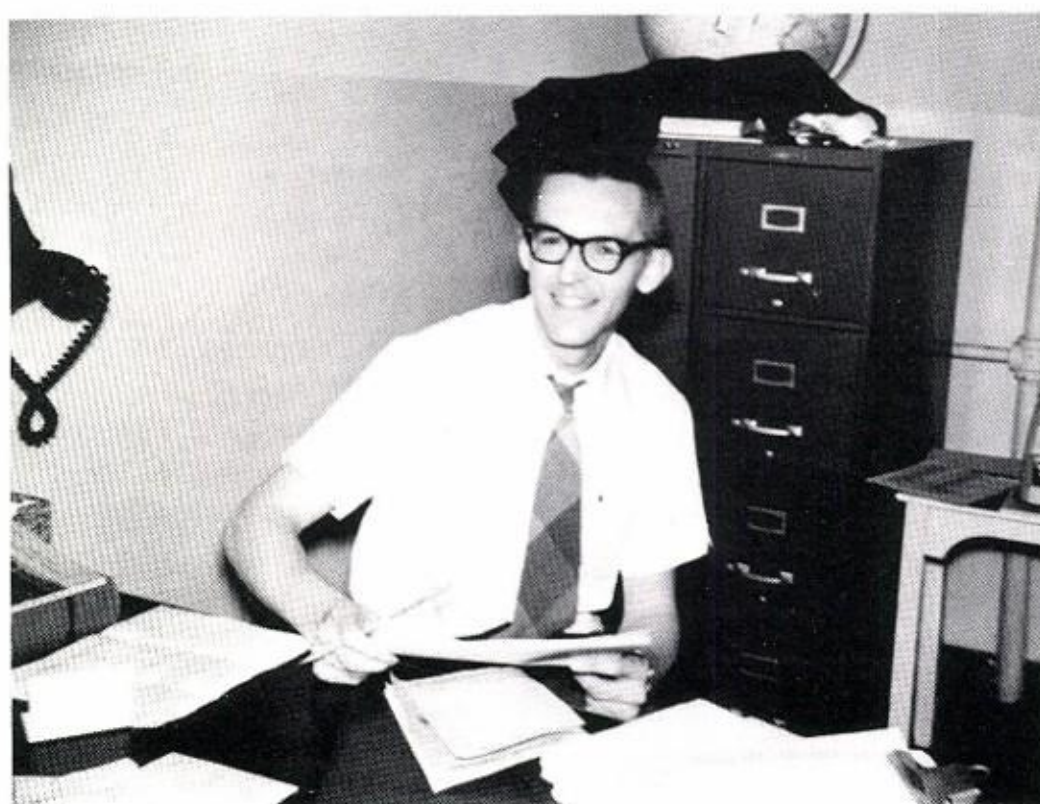

MRS. RUTH LINVILLE, ELEMENTARY PRINCIPAL

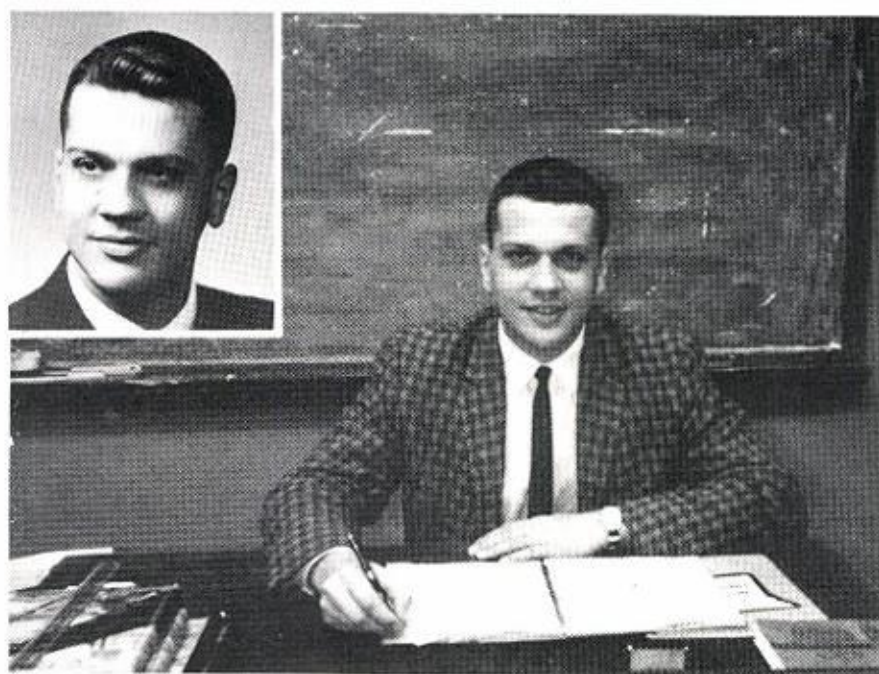

Mrs. Linville has been in the teaching profession for thirty-six years. She has taught in schools of Atchison County for twenty-six of those thirty-six years. She became the elementary principal in 1957. It can be said that she has worked with nearly every student in Rock Port High School.

E.R. DALRYMPLE HIGH SCHOOL PRINCIPAL

Mr. D., as he is commonly known, has been high school principal for nine years. A graduate of Rock Port High School, he has long been aware of improvements needed in the system and has made such improvements and continues to do so.

CLASSY NEW UNIFORMS

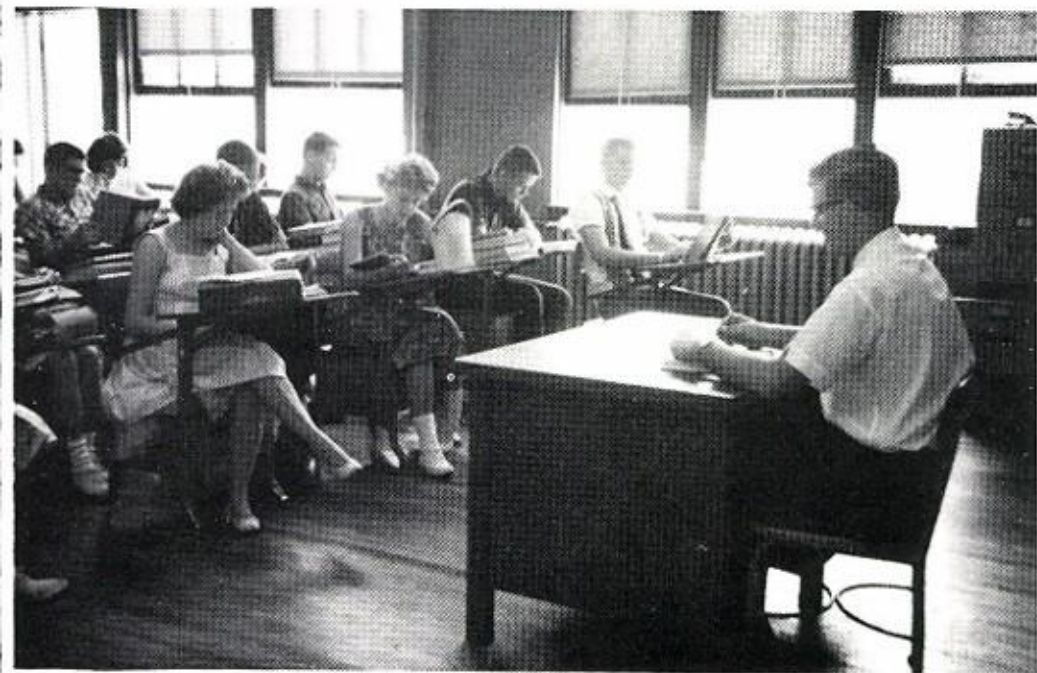

James Allen models the new uniforms which will be worn next year by the R. P. H. S. band. Made of royal blue wool, it is trimmed in white and has a white panel with an Old English "R" in the center. With the front and back panels removed a full dress uniform is revealed.

ENGLISH

Listening to a lecture.

A springtime bulletin board.

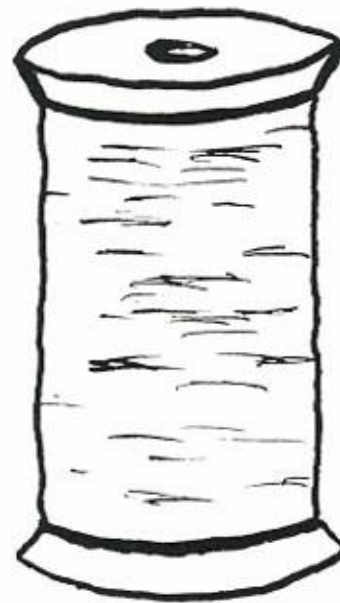

HOME ECONOMICS

The Home Economics I class not only learned to iron, but they learned to sew and cook. Next year they will be able to work with more complex sewing and cooking problems.

Home Economics IV was exciting, especially when they sewed or altered garments for someone else.

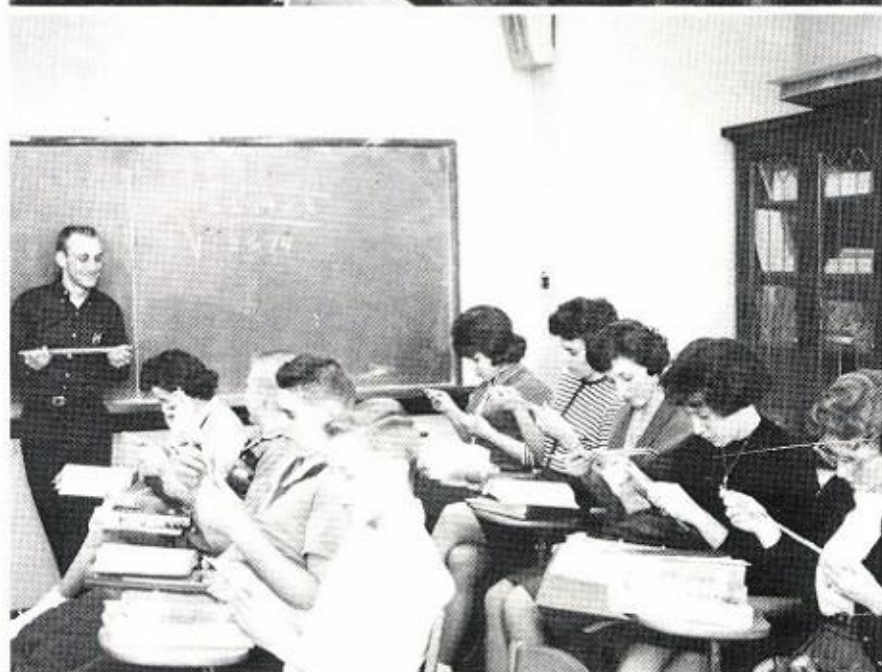

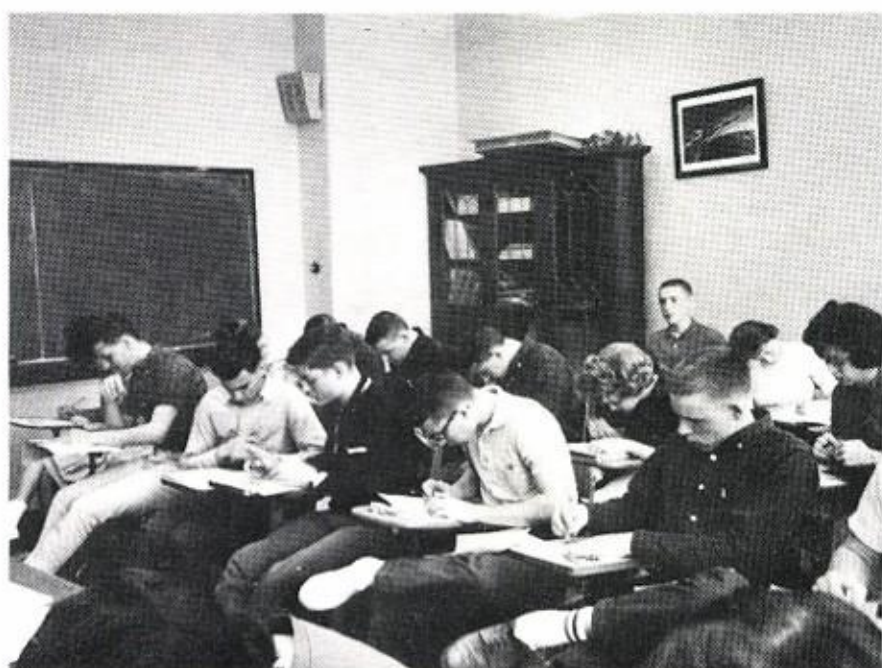

The style show was the high point of the year for all Home Economics students. They used the theme of "Midnight on Fifth Avenue". The Home Economics II class served punch and cookies after the style show.

The library assistants of Rock Port High School try to combine service and pleasure in their activities. To serve the students at Rock Port High is their first duty. For pleasure there is a librarians club which meets regularly at which the business of the club is considered, book reviews given, and refreshments served. A high light of the year is a trip to a nearby city for both education and entertainment.
